

Cat & Kitten Adoption Fee

Any **cat or kitten** adopted from the CRRC will:

- have been neutered
- have had at least its first vaccination for flu and enteritis
- up-to-date flea and worming treatment
- have been microchipped
- have been health checked by our vet
- is covered by Pet plan Veterinary insurance for up to 4 weeks

An **adoption fee of £70.00** is required for each cat or kitten.

This is less than $\frac{1}{3}$ of the full cost, so any further donation is very much appreciated.

Please refer to our Typical Vet Prices on the next page.

Leaving with your Cat or Kitten

All domestic cats and kittens leaving the CRRC must:

- leave with a **collar and id on**
 - be transported in a **proper carrier** (cardboard or corrugated plastic is not permitted). These products are for sale on site (new and secondhand).
-

Payment Options

- CASH
- DEBIT CARDS
- CHEQUES (with up-to-date bankers cheque card)

CREDIT CARDS **ARE NOT** ACCEPTED
